

Don't Pay the College Sticker Price!

Join college planning expert Joseph Orsolini for an enlightening program that teaches parents of all income levels how to reduce the exorbitant cost of college so they won't jeopardize their own retirement or strap their children with life altering debt.

Throughout his presentation, Joe focuses on strategies to help families maximize need-based financial aid eligibility, target the right colleges for merit-based financial aid, and exploit tax-saving opportunities.

As a respected authority on college planning, Joe's work has been featured in a variety of media outlets including *The Wall Street Journal*, Kiplinger's *Safe Investing*, *Chicago Parent* magazine, *savingforcollege.com*, *FOX Business*, and *WLS 890AM* radio.
